Pacific Masters Swimming 2002 Coach of the Year Nominations due.

OK, swimmers it's time to give credit due to that person who helped you reach those lofty goals you set for yourself over the last year. Be they winning a National Championship, finishing your first open water swim, or losing those pounds you put on over the holidays!! We know who I'm talking about — that slave driver on the deck, that merciless counter of seconds and repetitions — Your Coach !!!

Being a Masters Coach myself I love coaching because it keeps me involved with some of the finest adult athletes out there. And while this internal satisfaction is what keeps myself, and other coaches, trying to make their programs the very best — every once in a while it's nice to be recognized by your peers as having brought that something special, something extra to the table.

Perhaps you have a coach who has made a difference in your training, in your competition, in your life. Perhaps they have spent some extra time working on some part of your swimming that makes you just a little bit better because of it. Now this is your chance to tell them "Thank you". Round up your team mates and start talking it up!! Trust me — just being nominated by your swimmers brings a real sense of satisfaction to a Coach.
