Message from the Chair

by Michael Moore, PMS Chair

Happy New Year

It is a new year, time to put in those new year resolutions to swim better and to really work on exercising this year. With the XI FINA World Masters Championships coming to Stanford in 2006, now is the time to start working to a goal of making the qualifying times then to swim well at the meet.

Call for Service Award Nominations

Every year we recognize those volunteers who have given so generously of their time and energy to make Pacific Masters Swimming an organization that we're all very proud of. One of the ways we recognize these people is through our annual service awards.

Nominations can be made by any Pacific Masters Swimming member. Nominations must be in writing and received by Michael Moore, email: chairman@pacificmasters.org, or mail: 350 Wayland, San Francisco, CA 94134, no later than March 16, 2005. The awards will be presented at the short course championships at the end of April.

Contributor of the Year: One award which recognizes outstanding contributions to Masters Swimming in support and leadership, recruitment of members, program development, and promotion of Masters Swimming at the club, association, or national level. The recipient must be a member of PMS. The 2004 award recipient was **Barry Fasbender**.

Distinguished Service: This award recognizes outstanding and consistent contributions to Pacific Masters Swimming, in leadership, program development, recruitment of members, and promotion of Masters Swimming. PMS may give out any number of awards in this category. The recipient must be currently registered with PMS. Last year's winners were **R. Tod Spieker and Barbara Thomas**. **Walnut Creek Masters** was recognized for their service to Pacific Masters, they have run a Long Course meet for many years and have been run the Short Course Meters Championships for the past few years.

Personal Achievement: This award is for long term dedication to our program, with a noticeable improvement in a swimmer's skills and times. The recipient must have been a member of PMS during 2002, 2003, and 2004; active in local competitions; and showing improvement in at least one of the following categories: Top Ten rankings, Open Water Points competition, or other significant indications of personal achievement. **Aldo Da Rosa and Laura Colette** were recognized last year.

Appreciation: The purpose of this award is to express special thanks to individuals or groups who have made significant contributions to PMS. Nominees need not be registered members, but they must have contributed significantly toward the conduct, leadership, or support of PMS. Last year's recipients was **Beth Folkreth**.

The Camp will consist of two in-water workouts per day. The morning practice will be a general conditioning session, with the afternoon sessions being divided up by Distance, Mid-Distance, and Sprint Specialties. Here the Coaching Staff will strive to meet the specific needs of training for your best events. Each morning session will conclude with a hearty breakfast. Optional Stroke Schools will be conducted Friday, Saturday, and Sunday free to those interested. The Camp is not the place to begin your training, but to continue it. By registering, you are confirming the fact that you are in good physical health, have been 'competitive swim training' for at least 8 weeks, and are capable of swimming two workouts a day (approximately 6,000-8,000 yards). We ask that, if possible, you bring your own pulling gear

Coaching Staff: The 2005 Camp Staff includes: Kerry O'Brien, Mike Heaney, and Debbie Santos, coaching staff of the 2003 and 2004 National Champion Walnut Creek Masters; Brian Stack, Head Coach of the Manatee Masters of Oakland and the 1997 Pacific Masters Swimming Coach of the Year; Dr. Jim Miller, Coach of the 2000 Long Course National Champion Virginia Masters; and Steve Haufler, Head Coach of the Orinda Aquatics and Haufler Swim School.

Once your entry is accepted, you will receive updated information by mail.

For further information, call Kerry O'Brien (925) 943-5856.

The Leukemia & Lymphoma Society's Team In Training Program Offers Amateur and Seasoned Athletes a Chance to Race, Train and Socialize, While Raising Research Money for a Cure

The Leukemia & Lymphoma Society is one of the foremost fundraising organizations dedicated to curing blood cancers. One of its most successful programs is Team In Training (TNT), pushing novices, veterans, and professionals alike to train and compete in endurance events in exchange for fundraising for the organization. Seventy-five percent of the Society's total expenses support research and patient services. Funds that each athlete raises goes directly to support the mission of the LLS. The remaining 25% goes towards event entry fees, coaching fees, travel and accommodations associated with putting the athletes through a top quality training schedule and entering them in nationally-known races.

Currently, TNT offers programs for triathlons, marathon and half marathon runs and walks, and century bike rides (100-mile cycling events). The TNT triathlon program is one of the Bay Area's oldest triathlon clubs. Past and current Masters swimmers are leveraging their swim fitness into this multi-sport discipline; in fact, many previous non-club swimmers are turning to Masters programs to complement their triathlon training. Since Masters swimmers already benefit from the fitness programs at our pools, the transition into multi-sport training and competition is easy, and it provides added levels of competition and personal achievement. Contact the The Leukemia & Lymphoma Society at 1-800-78-TRAIN or visit www.teamintraining.com for further details.
