Message from the Chair

by Michael Moore, PMS Chair

Without volunteers who work for the good of the swimming community, Masters swimming would not have the swimming meets nor the organization that it is. Pacific Masters Swimming honors its once a year at its largest swim meet, the annual short course yards championships.

There are five service awards. There were three people who were awarded the Appreciation Award. **Joel Wilson** who has been the meet director of the many short course and long course Pacific Masters championships that have been organized by **Santa Cruz Masters**. He has also been instrumental in the Cruz Cruise and Pier to Pier swim. Joel has the appreciation of Pacific Masters Swimming.

There is a lot of jobs done at the swim meets. One of the more important jobs is the clerk of the course, who makes up the heat sheets and prints the results. **Dan Corrigan** has been the clerk of the course at the Pacific Masters Championships for the past fifteen years. Dan is always calm in the mist of the hurricane of people wanting to change their times, saying they entered the event, but they are not listed on the event sheet and being sure the results are accurate. Dan has the appreciation of the Pacific Masters Swimming.

After hearing of the tsunami that devastated countries along the Indian Ocean, **Tsunami Masters** took it upon themselves to raise money for the survivors. For raising over \$20,000 that was given to the American Red Cross, Pacific Masters honors them with the Distinguished Service Award.

When Pacific Masters has needed a place to put on a fitness clinic the Olympic Club has stepped up, to let us use their beautiful new facilities. The Olympic Club has put on the TOC Mile, Pacific's meet for the distance pool swimmer. When USMS was short of funds for the Olympic Training camp, the Olympic Club, donated funds for its continuation. Pacific honors the **Olympic Club** with its Distinguished Service award.

Joan Alexander, Pacific's secretary, has also be the Oceana Zone rep and is a member of the USMS Committee that is reviewing the governance of USMS. This has involved many hours of committee meeting, phone calls and reading documents. Pacific recognizes her for her distinguished service.

Brian Stack has been the head coach of Manatee Masters, which has developed into one of the largest clubs in Masters

swimming. Brian has served as co-chair of Pacific's Coaches committee and works on presenting fitness clinics. Pacific recognizes his distinguished service.

Dore Schwab has been involved in Masters swimming for over 30 years. He has served as Pacific Masters chairman. He has been the USMS zone chairman and he has worked as a deck official in his desire to help Masters swimming. For all of his work over the past 30 years, Pacific recognizes him for his distinguished service.

Leianne Crittenden after a 29 year hiatus decided to start swimming competitively again. She started training in her home pool, came to a Pacific Masters meet and swam well. She joined Walnut Creek Masters. During 2004, she took first place at Pacific Championships, she took two first places at short course nationals and she took first in the 50 at the FINA World Masters Championships in Riccione, Italy. For doing all of that in such a short period of time, Leianne Crittenden is awarded the Personal achievement award.

Michael Moore was awarded the Contributor of the Year award for his work in the getting the XI FINA World Masters Championships to Stanford.

This is one more appreciation award that will be awarded at Long Course Championships. The overall swimmers of the year were Bill Johnson for men and Daniela Barnea for women
