* Auxiliary Services workers help with check in, program sales, hospitality and running.

** Times are approximate, once entries are in start and stop times will be changed based on participation levels.

All duties are simple, but training will be provided when the group arrives. Youth, age 13 and above, may work but adult supervision should be provided by the group.

If your group is interested, please send an email to Peter Guadagni (pastchair@pacificmasters.org) by June 17 indicating the name of your group, contact information (name, phone #, and email) for group contact, and the code(s) for the slot(s) you group is interested in. Your group will be notified by June 22 if it has been awarded a slot, priority will be given to early responders. If your group can provide half the number of workers, please feel free to reply noting the limitation but priority will be given to groups that can provide the entire number needed for the slot. Questions should be directed to Peter at the email address above.
