Finally the real 'next millennium' begins

by Doug Huestis, PMS Chair

Our loss - SPMA's gain

At the Pacific Masters Swimming's annual meeting and pot luck dinner I was elected to serve out the remaining year of Julie Paque's term as she is moving to Southern California. Ostensibly she is moving there because she is getting married to Michael Heather, but her moving there will also raise the bar for masters swimming at that end of the state. I am fully aware that 'filling her shoes' will be a formidable task. Luckily, we are blessed in our LMSC in having a group of hard working individuals that will make my job an enjoyable task. While we are sad to see her go, we wish her the very best!

Goals, Goals, Goals

For those of you who don't know me, I have been a swimming coach now for some thirty plus years. As a coach I try to set difficult, but attainable goals for my athletes. There is nothing so satisfying as achieving something that was previously thought unattainable!

With that in mind I put forth to you, the entire membership of Pacific Masters Swimming, three goals for the real 'next millennium' year:

1) Build our membership to well over 10,000 by the end of 2001. While that may seem like a formidable task - if each and every one of you makes it your personal 'resolution' to get just one new member signed up, we can significantly surpass that goal. Think about your neighbors who swim in their backyard pool, the people you see in the lap swim program on the way to/from your masters practice, your co-workers who 'used to swim'. You swim masters because you believe it's the best health/sport activity out

there - let others know that. Tell them what they could gain!!

2) As our program grows, our need for trained officials and 'team reps' grows with it. We are lucky in having a group of dedicated, hard working individuals who shoulder the burden of officiating at our events, and representing their teams at the monthly Swim Committee meetings. But, at times, our 'manpower' is stretched thin. Ask your coach, club president, or aquatic director for your program: "Do we have any carded officials on our team? Who is representing our team at the monthly Swim Committee meetings?" If the answer is no one - ask why not. Or volunteer yourself! Lets make this the year you all give back to the sport that means so much to you.

3) Lastly, this year the USMS Short Course Nationals will be held at Santa Clara (May 17-20, 2001). I know its going to be a great meet, but I would like to challenge you all to make it the best ever. By that I mean by volunteering to help 'run' the meet, or entering to swim in it. Having been a meet director myself - it is always nicer when you have a lot of people helping out, and the meet attendance is solid. And as everyone loves to have a concrete goal to shoot for - the largest USMS Nationals ever was at Stanford (with 2,328 swimmers) in 1987. Now there is a 'record' begging to be challenged!!

So join me in making 2001 a special millennium year, and show the rest of the nation that we are not only the biggest, but also the very best LSMC.

Call for Service Award Nominations

Every year we recognize those volunteers who have given so generously of their time and energy to make Pacific Masters Swimming an organization that we're all very proud of. One of the ways we recognize these people is through our annual service awards. Nominations can be made by any Pacific Masters Swimming member. Nominations must be in writing and received by Doug Huestis, 67 Fortuna Ave., San Francisco, CA 94115, no later than February 28, 2001. The awards will be presented at the short course championships in April.

Contributor of the Year:

One award will be given out to recognize outstanding contributions to Masters Swimming during 2000 in support and leadership, recruitment of members, program development, and promotion of Masters Swimming at the club, association, or national level. The recipient must have been a member of PMS in 2000. The 1999 award was given to **Jim Wheeler**.

Distinguished Service:

This award recognizes outstanding and consistent contributions to Masters Swimming, in leadership, program development, recruitment of members, and promotion of Masters Swimming. PMS may give out any number of awards in this category. The recipient must be currently registered with PMS. Last year's winner was **Michael Moore**.

Personal Achievement:

This award is for long term dedication to our program, with a noticeable improvement in a swimmer's skills and times. The recipient must have been a member of PMS during 1998, 1999 and 2000; active in local competitions; and showing improvement in at least one of the following categories: Top Ten rankings, Open Water Points competition, or other significant indications of personal achievement. There was no personal achievement award given last year.

Appreciation:

The purpose of this award is to express special thanks to individuals or groups who have made significant contributions to PMS. Nominees need not be registered members, but they must have contributed significantly toward the conduct, leadership, or support of PMS. Last year's recipients were **Roswita Norris and Elfriede Rogers**.
