Message from the Chair

by Michael Moore, PMS Chair

Happy New Year!

Seventeen years ago, I was selling computers for a local small computer retailer. I had been running (earlier that year I ran in the Bay to Breakers). My knees were starting to hurt me when I ran. Knees don't take too well to a 200 lb body running on concrete or asphalt.

One of my customers, Phil Skarshaug, told me about this adult swimming program called Masters Swimming. Phil swam for TAM but he said there were teams all over the place. I don't remember how I found San Francisco Rec and Park, but I started swimming in October, 1985.

This September, I was elected your chairman of Pacific Masters Swimming. Pacific Masters just surpassed 10,000 members; we are the largest LMSC. We got there mainly because someone like you told a friend, a colleague or acquaintance about Masters swimming and what a great way it is to keep in shape, meet people and compete (if you want).

The swimming committee has planned another great year of competition for those who want to compete, coaching clinics for our coaches, fitness clinics and open water clinics. We hope to have a program where every swimmer will find at least one item that interests them.

As many of you know, Pacific Masters is the largest regional group of Masters swimmers in the U.S. with about 23% of Masters swimmers belonging to Pacific Masters. I have challenged your Board of Directors to help "grow" our LMSC to be about 25% of U.S. Masters Swimming.

If you have been reading the forum section of the USMS website (forums.usms.org), the New England Masters are saying that they are the "Center of Competitive Masters Swimming." Just to have fun with it, it would be great to see the growth in Pacific Masters be equal to one half of New England Master's entire LMSC - we would need to attain a net growth of about 850 members. We can do it, if you get one friend to come to register.

Masters swimming will grow because one person tells a friend about swimming and convinces them to come to practice. Just as Phil Skarshaug told me about Masters swimming and Masters Swimming grew by one member, tell a friend about Masters swimming and the fun of swimming.

Call for Service Award Nominations

Every year we recognize those volunteers who have given so generously of their time and energy to make Pacific Masters Swimming an organization that we're all very proud of. One of the ways we recognize these people is through our annual service awards. Nominations can be made by any Pacific Masters Swimming member. Nominations must be in writing and received by Michael Moore., 350 Wayland, San Francisco, CA 94132, no later than February 19, 2003. The awards will be presented at the short course championships in April.

Contributor of the Year:

One award will be given out to recognize outstanding contributions to Masters Swimming during 2001 in support and leadership, recruitment of members, program development, and promotion of Masters Swimming at the club, association, or national level. The recipient must have been a member of PMS in 2002. The 2001 award recipient was **Richard Smith**.

Distinguished Service:

This award recognizes outstanding and consistent contributions to Masters Swimming, in leadership, program development, recruitment of members, and promotion of Masters Swimming. PMS may give out any number of awards in this category. The recipient must be currently registered with PMS. Last year's winners were **Andrew Brennan, Paul Wrangell, Davis Aquatic masters, Rinconada Masters, and Tsunami Masters**.

Personal Achievement:

This award is for long term dedication to our program, with a noticeable improvement in a swimmer's skills and times. The recipient must have been a member of PMS during 2000, 2001, and 2002; active in local competitions; and showing improvement in at least one of the following categories: Top Ten rankings, Open Water Points competition, or other significant indications of personal achievement.

Appreciation:

The purpose of this award is to express special thanks to individuals or groups who have made significant contributions to PMS. Nominees need not be registered members, but they must have contributed significantly toward the conduct, leadership, or support of PMS. Last year's recipients were **Mary and Lloyd Yoshida, Bud Meyer, and George Cleveland**.

OPEN WATER TOP 5

Congratulations to our **2002 Open Water Points** winners! All PMS swimmers who placed tenth or better in any of the 16 2002 open water swims were entered in the Points Competition. Total points from each swimmer's seven best placings determine the winners. Awards go to the top three swimmers in each age group. If you have not received your award by December 1st, contact Marcia Benjamin at (510) 357-7753 or msbenjamin@earthlink.net. Awards were distributed at the November PMS meeting. **Next year the Open Water award will be based on half the total number of swims offered.**
