## Message from the Chair

by Michael Moore, PMS Chair

*Pacific Masters has a treasure trove of great volunteers. Pacific would not be able to offer the programs that we offer without the people we have that devote much of their time to others.*

This years Pacific Masters Service awards and swimmers of the year were awarded at the 2003 Short Course Yard Championships at UC-Santa Cruz.

This year the **Contributor of the Year** was awarded to **Joan Smith**. Joan has been a volunteer for Pacific for many years. She has worked as a deck official while her husband Richard swims. Joan has provided leadership in the roles of PMS Vice-Chair of Administration, Officials Chair, and Top Ten and Records Co-Chair.

**Theresa Wistrom** is **Pacific Masters Appreciation Award** recipient. Theresa was the co-meet director for the 2000 PMS Short Course Meters Championships. She was also the meet director for the 1500 Short Course Meter Championships in 2001 and 2002. Without her willingness to organize this less-than-profitable event, we would not have been able to offer it.

**Andrew Eber** and **Cindy Baxter** are the 2003 **Distinguished Service Award** recipients. **Andy** was responsible for getting Masters swimming at the Petaluma Swim Center. Recently, he was able to work with the Petaluma City Council to extend the pool season at the Petaluma Swim Center from March to the end of October.

**Cindy Baxter** of Rinconada Masters has worked for Masters Swimming for thirty years. She ran the Rinconada Spring meet for many years. When her daughter was an age group swimmer, Cindy worked as a deck official. After being away from the deck, she again became a certified deck official and worked the recent Santa Clara

Nationals and is frequently seen working as a stroke and turn official at Masters meets. Cindy is currently the Pacific Masters Officials chair.

**Distinguished Service Awards** were also given to **San Mateo Master Marlins, Tamalpais Aquatic Masters and Santa Cruz Masters Aquatics**.

San Mateo Master Marlins was the first Masters team in PMS and Tamalpais Aquatic Masters (originally Marin Aquatic Club) was right on its heels. Both were charter members of PMS back in 1971.

**SMMM** has given us distinguished service in the development, administration, and organization of our program in PMS and hosted SC and SCM events throughout the years as well as the first USMS SC National Championships at the College of San Mateo in 1972.

**TAM** ran SC and LC PMS Championships in the 70s and 80s, OW events in the 80s and 90s, postal events in the 90s and 2000s, and provided our members with the latest education and theories by hosting clinics with experts in various fields of interest in the 70s and 80s. These clubs continue to provide PMS leadership and distinguished service today.

**CRUZ** may not have as lengthy a history as SMMM and TAM but it has certainly performed distinguished service over the years. It teamed with the Santa Cruz Lifeguards to offer our members the opportunity to participate in the Santa Cruz Roughwater Swim, it has offered

PMS a venue for numerous SC and LC Championship meets (sometimes coming to the rescue with both in the same year), and gives our hardy distance aficionados the opportunity to swim open water (ocean) distance events. PMS recognizes the value of these clubs and acknowledges their contributions in the success of our program.

### Overall Swimmers of the Year:

Age group swimmers of the year are determined by a calculation involving their PMS and USMS Top Ten rankings and records for all three pool courses and placings in open water swims. A swimmer must have participated in a minimum of two PMS sanctioned events in order to be eligible. From these winners the Pacific Masters Swimming Committee votes on the overall male and female Swimmers of the Year.

**Laura Val** is the 2002 Female Swimmer of the Year. During the year Laura set 15 USMS Short course yards records, five USMS Long Course Records and four Short Course meters records in her 50-54 age group. In accomplishing this feat she swam faster than the records she set in a younger age group.

**Ed Cazalet** is the 2002 Male Swimmer of the Year. Ed turned 60 for the LC and SCM seasons and made the most of his aging up! Ed set 2 National and 7 PMS LC records and 2 National and 7 PMS SCM records in the 60-64 age group in 2002.

A list of the 2002 Swimmers of the Year is found on the next page.
