

Save the Date

1st Annual Pacific Masters **Summer Fun** Relay Meet & Social
Sunday, August 25

Mark your calendars for a late summer relay only meet. In addition to the typical 200 medley and free relays, this event will feature relays for each of the other strokes (4 X 50 breast, 4 X 50 fly, & 4 X 50 back) plus 100 free and 100 kick relays in which each leg will be 25 yards.

Interested parties should form relay teams of 4 to 6 members who will compete together in all their chosen events.* **Relay team members do not have to be from the same club.** Unattached swimmers and members of smaller clubs can band together to form relay teams. Similarly, families and college or high school alumni can swim together even if they are not on the same club (USMS membership is required). Relay teams where all members are from the same club will have their points contribute to their club's total.

There will be competition by gender (men, women, & mixed) and by age group where age group is determined by the average of team members. Club totals will also be tracked.

The meet will take place at Larkey Park pool in Walnut Creek. A catered BBQ lunch will be available for a nominal fee immediately following the meet. Entries are expected to open mid-July. **Plan to sign up early as the event will be limited to 75 relay teams.**

* A relay team may have between 4 and 6 members but only 4 will swim in any given event. Teams will choose 4 events in which to compete and can decide which members will swim in which events. Each team member should swim in at least one event.
