## Committee Reports

**Zone Rep** - Richard Smith - New Zone Representatives will be elected this year at convention. Richard is willing to run.

Hawaii's representation in our zone will jump from 1 last year to 3 this year.

**Registration/Records** - Nancy Ridout - Pacific Masters has 8, 144 swimmers registered and is ahead of last year. Beginning September 1<sup>st</sup>, the late-in-the-year reduced rate registration fee is \$15. Normally refunds are not made to clubs and swimmers sending in \$25 unless requested, because it creates extra work for our Treasurer. Registrations for 2000 will be taken beginning November 1, 1999. The 2000 fee will be determined at our September meeting. Registration materials will be sent out to each currently registered club in early October. Important information from Nancy Ridout: "Due to my position as USMS President, I will be travelling quite a bit during the fall months. I will be out of the office during the USMS Long course National Championships (August 17-24), the USMS Convention (September 14-19), the Pan Pacific International Championships (October 12-23), the USMS Training Camp at the USOTC (October 31-Nov. 4), and the Hawaii Long Course International Meet (November 10-14). The office will be operating on limited hours during my absences and registrations will continue to be processed by my assistant or my husband. Your patience and cooperation will be appreciated. My phone message will indicate Julie as an alternate contact. A draft of the Pacific Masters Short Course Top Ten is available tonight for your review." All long course meets are in and will be compiled and submitted to the USMS Top Ten Recorder. World Championships brochure from Munich is available for you to look at.
