-complaint addressed by Barry in his report, concerning team size designations at Championships for purposes of scoring. Barry addressed the issue to say that it should be the number of swimmers registered at the meet, this has been an ongoing issue over the years. Jim and Caroline reviewed Kildine's bank reconciliations for January and February, and they were okay.

-2012 LC champs online entries are open today

-Quicksilver meet has 102 entries, Great! Nice weather may increase the entries. This is the last Pacific Masters sanctioned meet for this year's short course top ten times.

## APRIL MEETING REPORTS – 04/18/2012

### Officer and Committee Reports

**Meeting policy.** Please provide text to Nancy, prior to the meeting, of any items on which you would like the Committee to vote. *Re-established 1/18/2012.*

#### Chairman – Peter Guadagni

Thanks to Tri Valley and WCM for hosting a successful Short Course Yards championships under trying weather conditions.

As most of you know, Joan Smith passed away last week. I have sent a condolence note to Richard Smith on behalf of Pacific Masters.

The content subcommittee of the communications strategy committee has been meeting and should be ready to pass on some recommendations/ideas to the full communications strategy committee in the next 30 or 45 days.

Annual Meeting planning has started. Please let me know if you would like to participate in planning this year's meeting or if you have ideas or connections for a good keynote speaker.

Are there any proposals for changes to USMS Rules or Legislation?

#### Vice Chair Administration – Michael Moore, no report

#### Vice Chair Operations – Jim Clemmons

We received a complaint from a member about how the Championship meet is scored due to the amount of team entries being the determining factor. The complainant declared that team size categorization should be based on the total number of USMS registered swimmers of the team regardless of the amount of team members that enter the meet. I'm sure you've heard it before, and it's just a matter of time before we hear it again, but Barry addressed it in a very nice response.

#### Secretary – Leianne Crittenden, no report

#### At-Large – Caroline Lambert, no report

#### Treasurer – Kildine Harms, financial reports attached separately.

#### Zone Chair – Michael Moore, no report

#### Open Water – Glenda Carroll

The swimsuits from Q Swimwear were mailed to the winners on Tuesday, April 10.

With the help of Phyllis Quinn, we are putting together a registration form for OEVT and a flyer to go with it that describes the advantages of becoming a full Pacific Masters member. Once approved, it will be emailed to all the event directors.

This is my fifth and final year of being the Open Water Chair. Much has been accomplished over the past five years and I'm sure that progress will continue. I am talking with the Open Water Committee about possible replacements.

#### Meet Operations – Barry Fasbender

**PacMasters 2012 SCY Championships.** There were a total of 722 swimmers in the Meet Manager database. Of the total swimmers, 18 were relay only swimmers, most of which were entered into the database because they swam on relays. Note that these swimmers do not pay the meet entry fee. Also, these extra swimmers were not on the Team List printed in the program. As a results, some teams that thought they were in the small team category ended up in the medium size team category.

**Quicksilver SCY Meet.** As of Sunday night, there were 52 online entries for the meet with three more days for online entries. This is a good start for a new meet. There is still time for you to enter the meet so you will be able to say you swam in the first Quicksilver Masters meet.

#### Registration – Nancy Ridout

As of April 17<sup>th</sup>, we have registered 8753 swimmers and 121 clubs. Past numbers for this time period are as follows: 8,326 swimmers and 122 clubs as of 4/19/2011; 8,151 swimmers & 119 clubs as of 4/21/10; 7,639 & 119 as of 4/15/09; 6,643 & 116 as of 3/31/08; 6,627 as of 4/4/07; 6492 & 108 as of 4/15/06; 6068 & 99 as of 4/13/05; 6420 & 99 as of 4/10/04; 6990 & 106 as of 4/7/03; 7620 & 108 as of 4/21/02; 7129 & 113 as of 4/19/01; 6801 & 108 as of 4/14/00; 6780 & 98 as of 4/28/99; 6263 & 98 as of 4/16/98; 5904 & 97 as of

A file of 3768 2011 swimmers who have not yet renewed for 2012 were sent to Beyond Words for paper invoicing. We have more renewals than usual for this time of the year so our cost will be less than budgeted. \$4,220.16

#### Top Ten and Records – Nancy Ridout

The Pacific Masters Short Course Yards Top Ten is in the process of being compiled as all of our SCY meets have concluded for this season. Records have been sent to USMS throughout the season.

#### Scheduling – John Morales

I would like to change The Keller Cove Open Water Swim from Sunday, September 16th to Sunday, September 30th. I believe a vote is needed.

Also, DAM needs to change their September 7th date. I will keep you updated. *I think he may mean 10/7.*

Unfortunately, I will be unavailable for the phone meeting. I apologize

#### Coaches – Peter Guadagni, acting Chair

Very productive coaches meeting on Saturday, April 14. Brian Stack, Stu Kahn, Larry Baeder, Chris Campbell, Hermine Terhorst, Scott Williams, Kerry O'Brien, Joel Wilson and Peter Guadagni were in attendance. The group started to create a coach development and support plan. Fifty-one coaches answered a survey that was used as input for the meeting.

#### Communications – Newsletter – Joanne Berven, Webmaster – Michael Moore

##### *Newsletter* – Joanne Berven

The newsletter will be ready to go by our Wednesday meeting. It will go out when Michael says he is putting it on the web.

##### *Web Master* – Michael Moore

The Pacific Masters website as awarded the "Really Cool Website of the Month" by United States Masters Swimming.

We set up with Fastlane Tek a way for people to view on the Pacific Masters website, immediately after the completion of the heat and results were immediately posted on the website. This was a very popular feature as results were heavily accessed by users.

The Update was sent out twice in the past month. 15,500 people currently receive The Update.

An email about the Swimming Save Lives Foundation grant was sent out all members who are under 22 (about 100 emails). The email encouraged the member to look at the USMS website and to consider applying.
